

SOUL EATER

In the Court of
the Crimson King

24

Post...

Damn, he
got a lot
of those...

How bout
a little
pre-fight
snack-

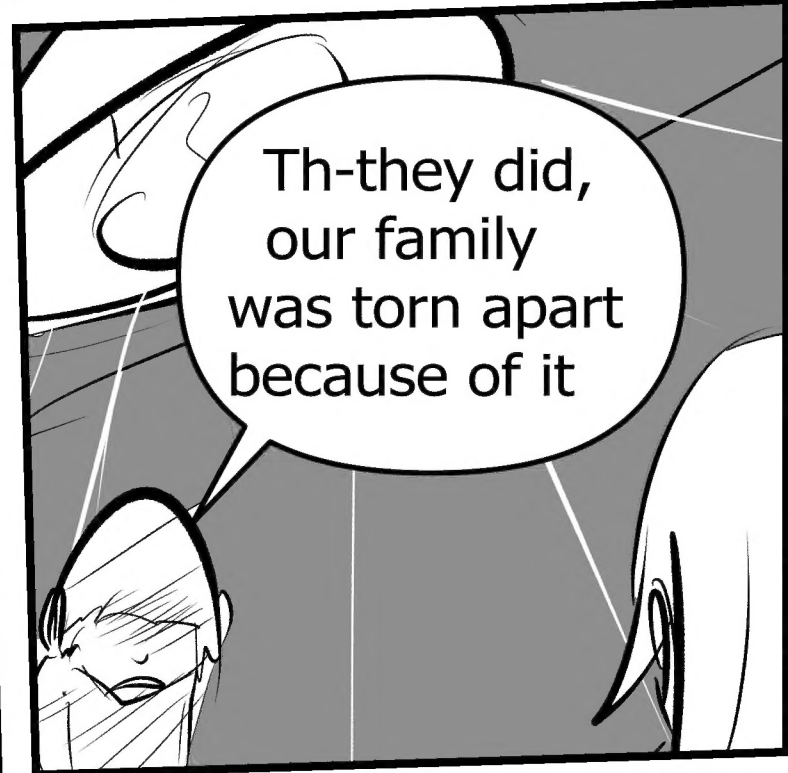

No Ragnarok,
we have to
stop him from
hurting anybody
else first

Stop me? Like they
stopped my first born's
heart, my wife's lungs?

Did kishineggs do that
to your loved ones??

Th-they did,
our family
was torn apart
because of it

My father
used to
be a kind
man, just
a bit weird...

But after
that... He
started to
change for
the worse

He would just wander out into the desert
searching for the monsters that did it...

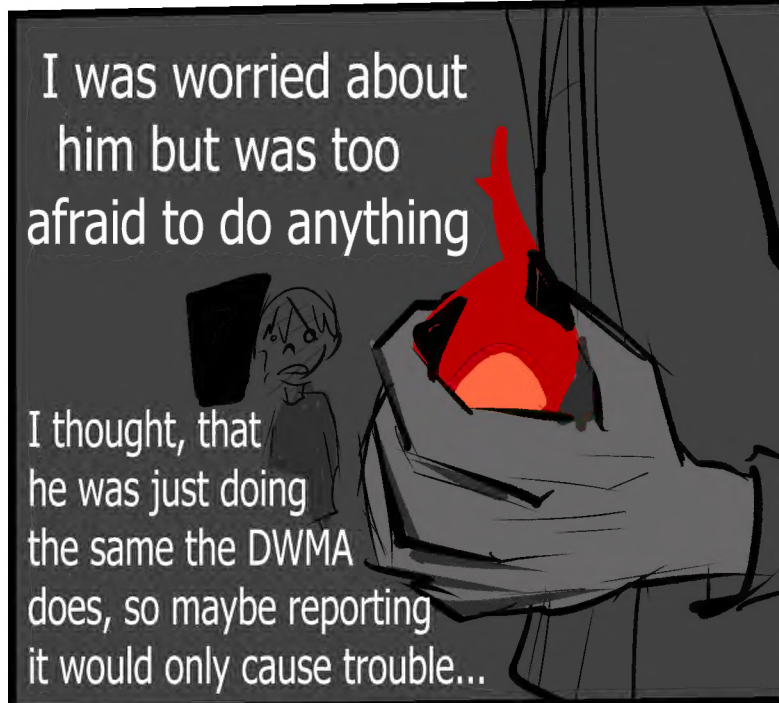

Every time he came back

he seemed more unhinged

I was worried about
him but was too
afraid to do anything

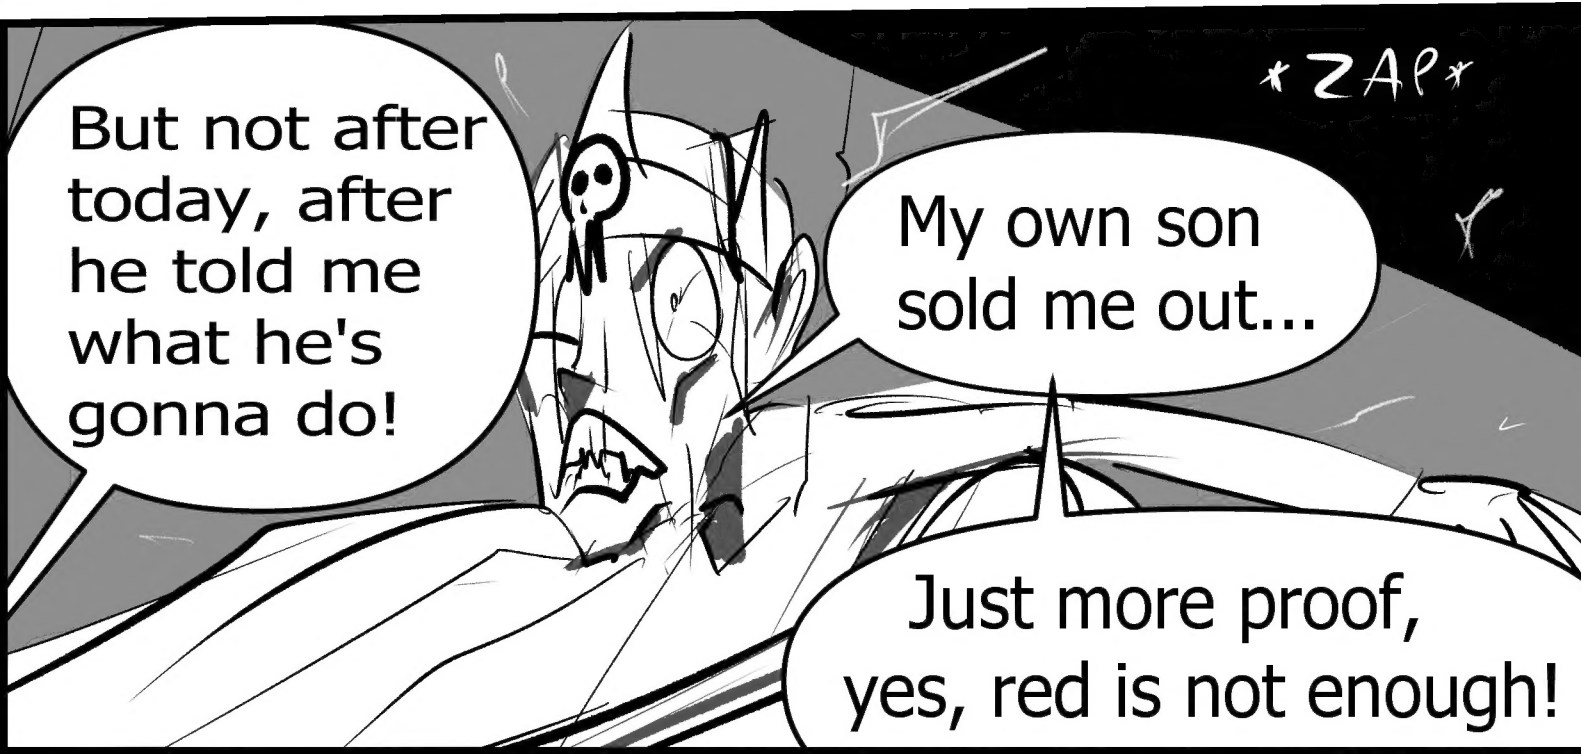

I thought, that
he was just doing
the same the DWMA
does, so maybe reporting
it would only cause trouble...

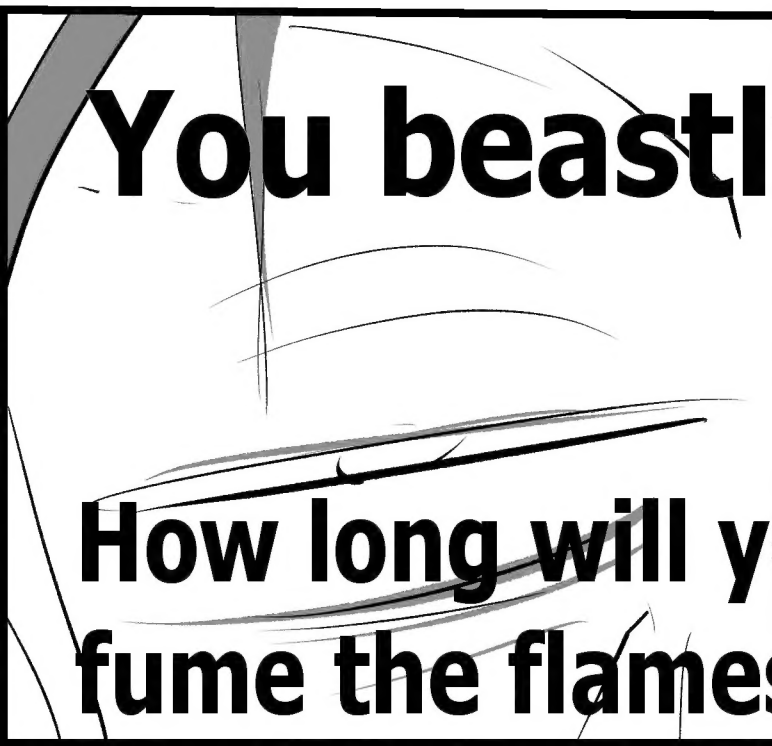

But not after
today, after
he told me
what he's
gonna do!

My own son
sold me out...

Just more proof,
yes, red is not enough!

Th-this might get ugly

Could you hold these groceries?

Two hands?
What more...

What more
do you hide,
violet fiend?

Hehe, see
only crazies
think your
hair ain't pink!

A mad king,
is that what
thou see?

No, I see someone
hurt and unable to
deal with that pain...

and also I
guess I doubt
your roaylty too...

Oh, then
what am
I when I
have the
power...

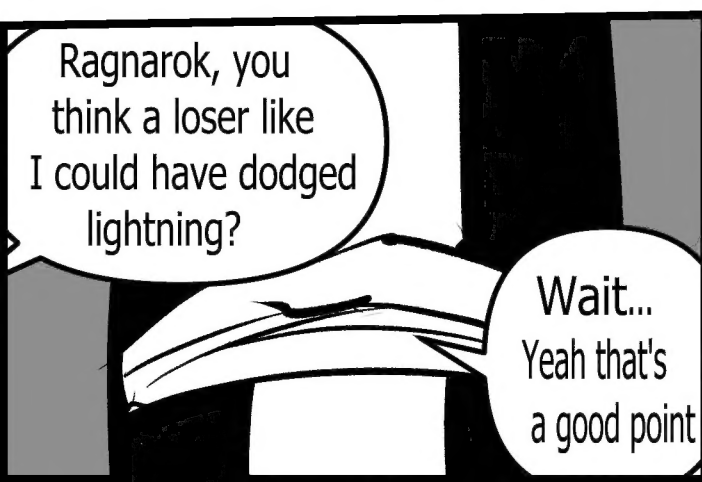

to smite!

*2 Apr

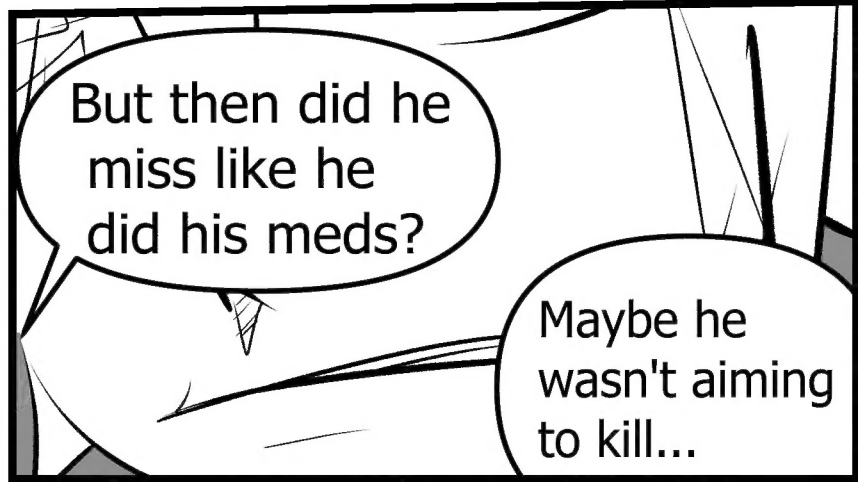

No one outruns
divine wrath!

we
just
did

Ragnarok, you
think a loser like
I could have dodged
lightning?

Wait...
Yeah that's
a good point

But then did he
miss like he
did his meds?

Maybe he
wasn't aiming
to kill...

What are you spouting!?

You doubt my
commitment?!!

Yeah he even
tried to kill his
own kids idiot!

It seemed like it, but maybe
he is more conflicted inside-

What, you see my
insides, did you put
the ants under my
skin too?!!

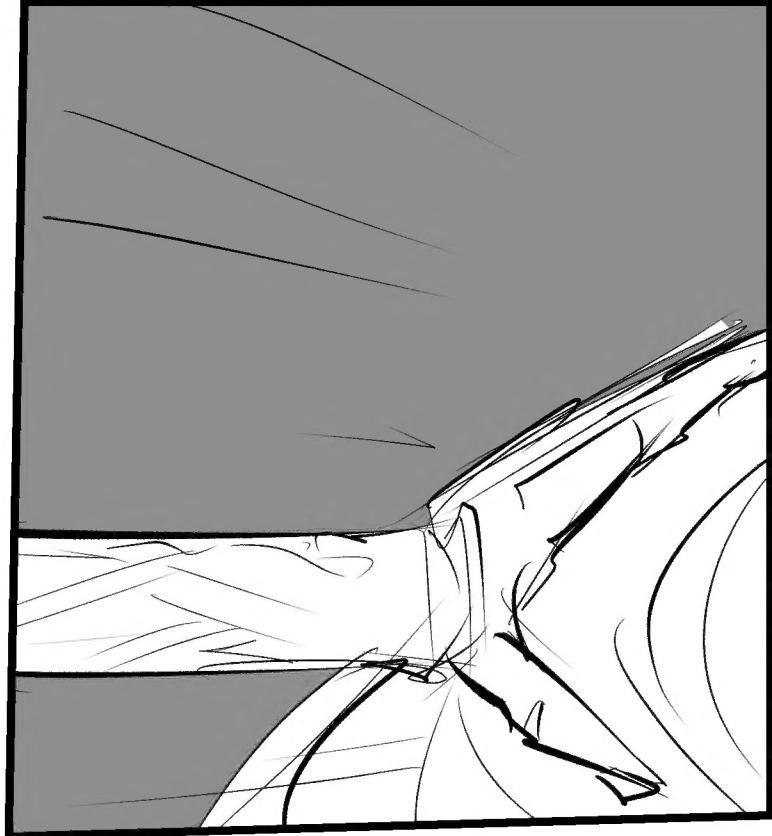

N-no, I mean
soul perception-

There is no
doubt anymore...

Indeed I must
no longer falter!

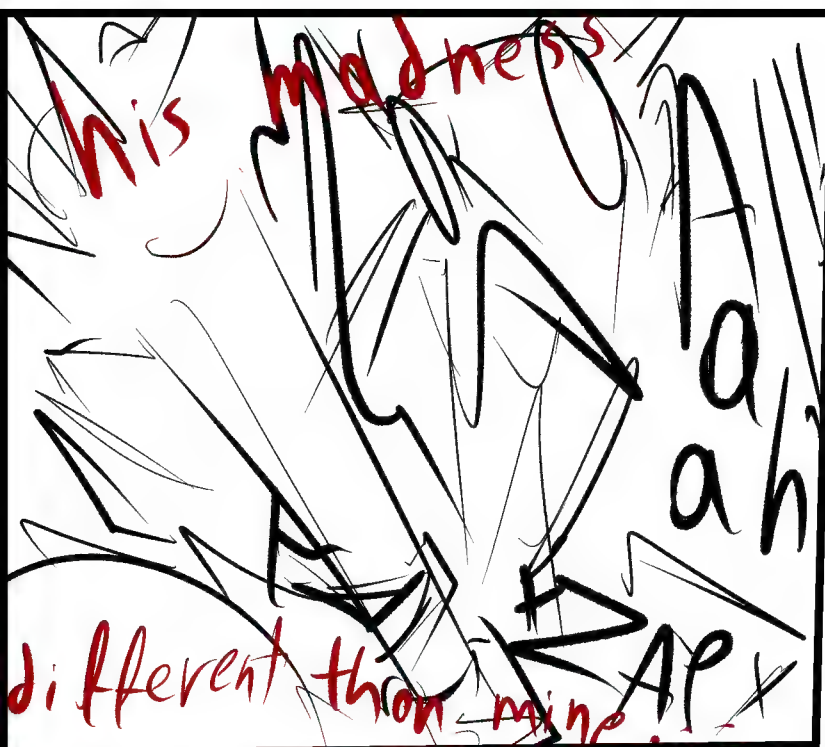

You still have
people that are
important to you

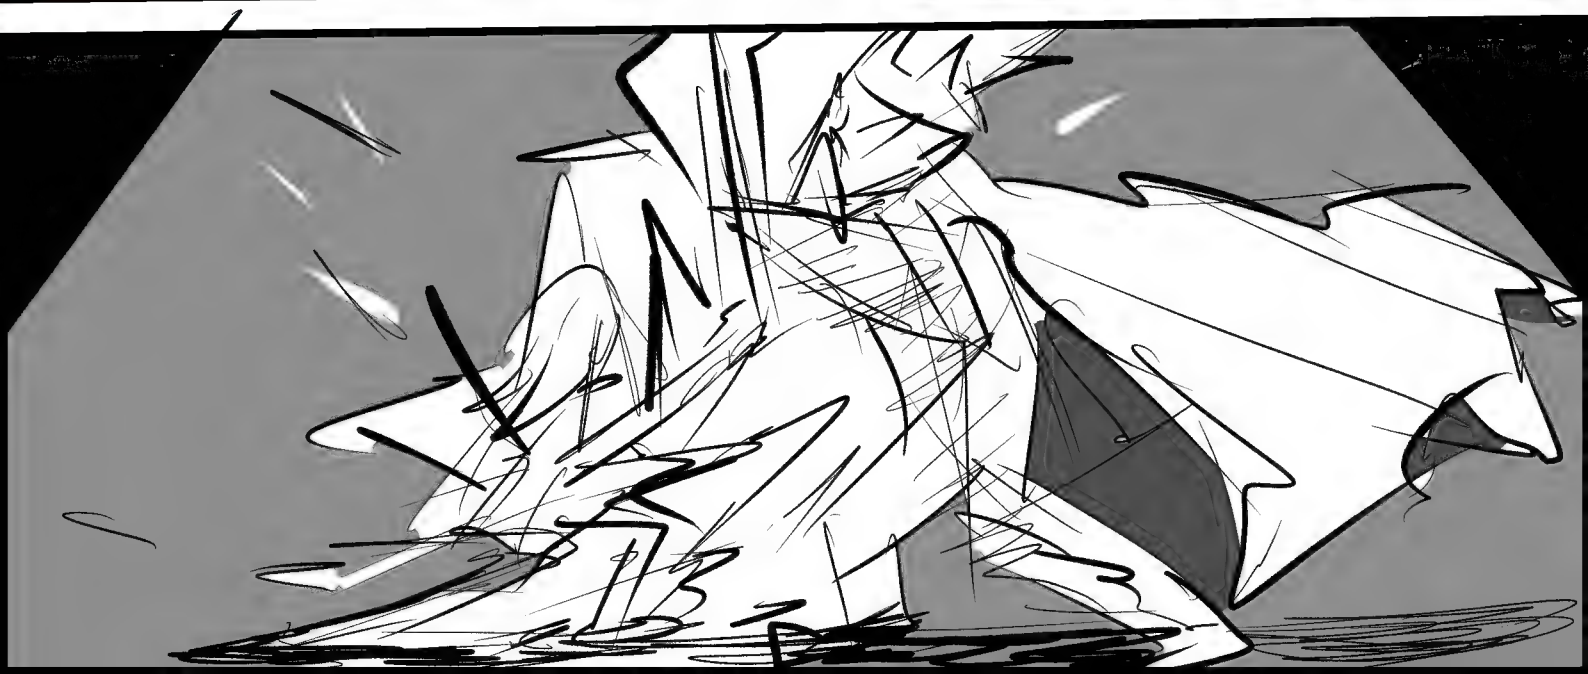

Doing this won't
bring back those
who are lost

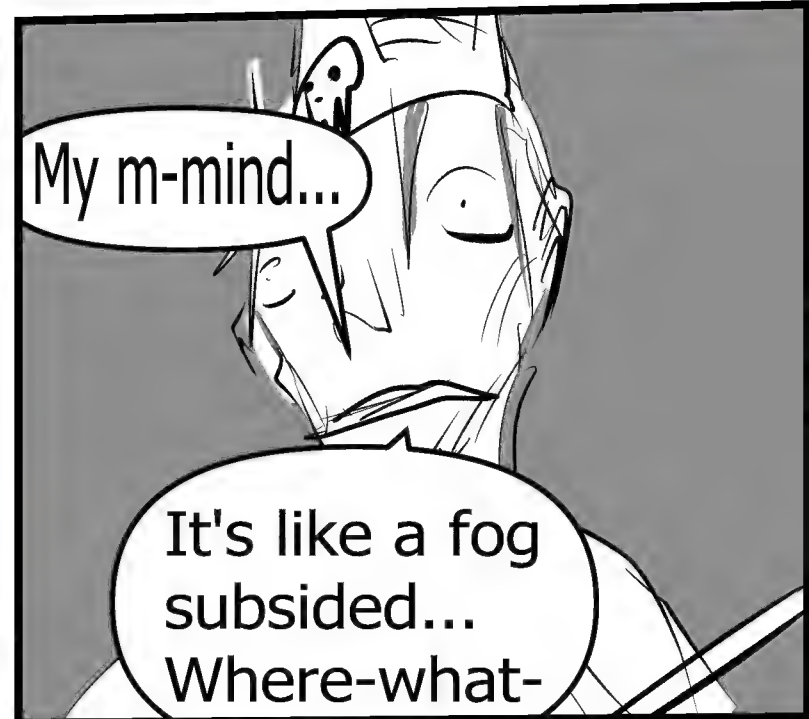

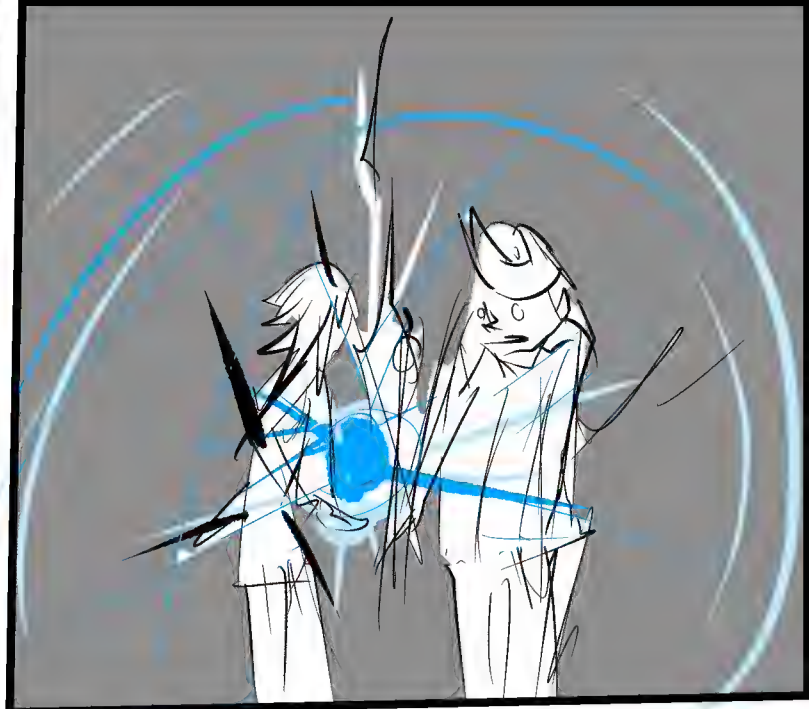

SHUT UP
MIND
KILLER!

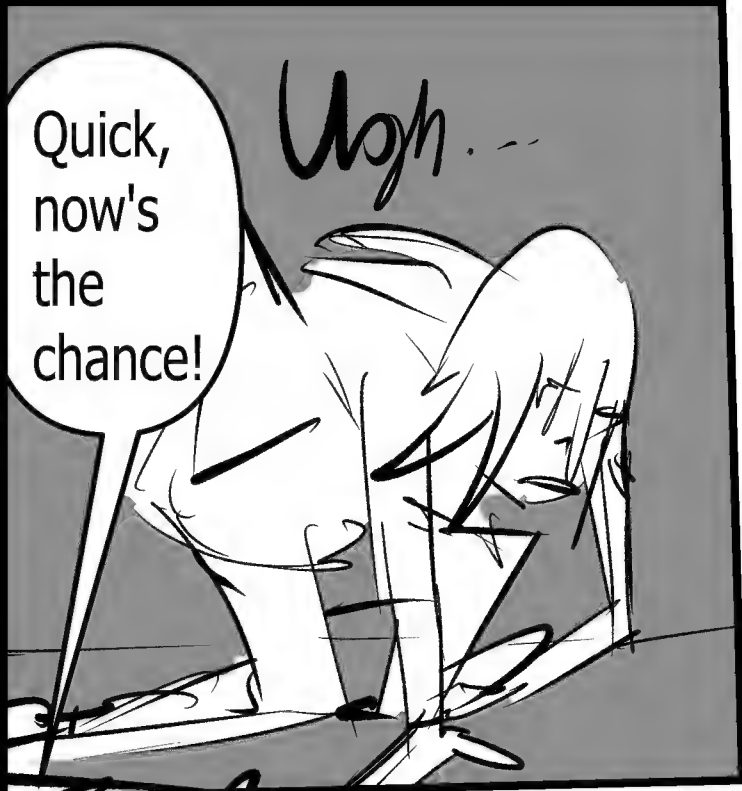

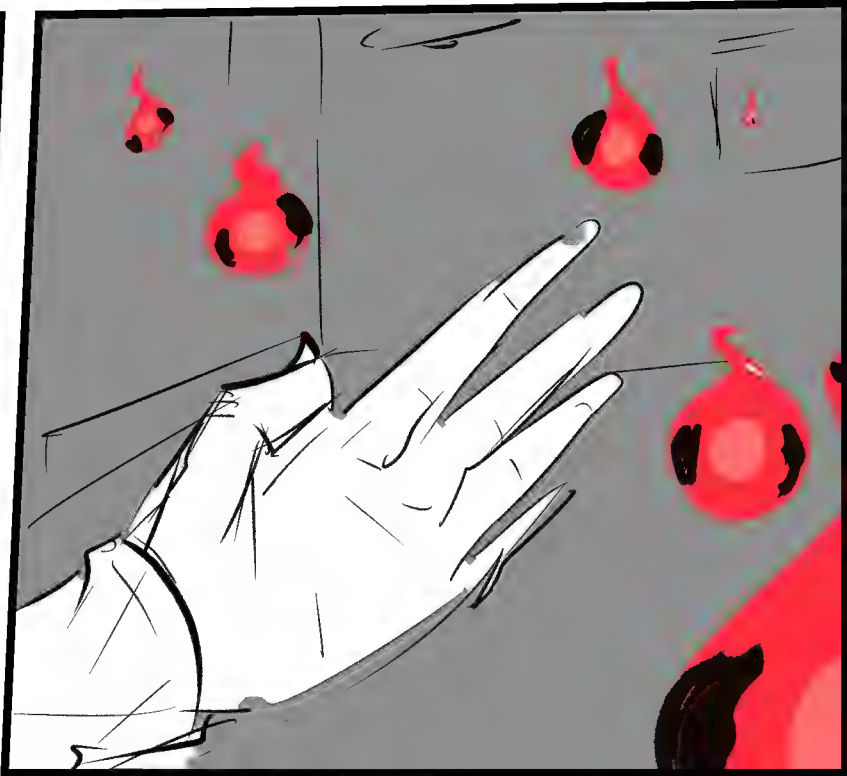

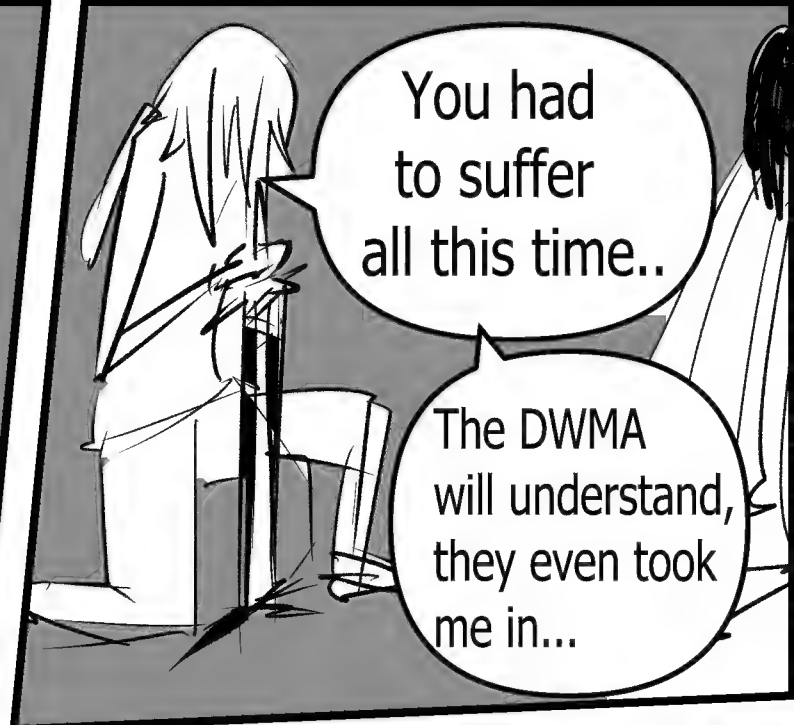

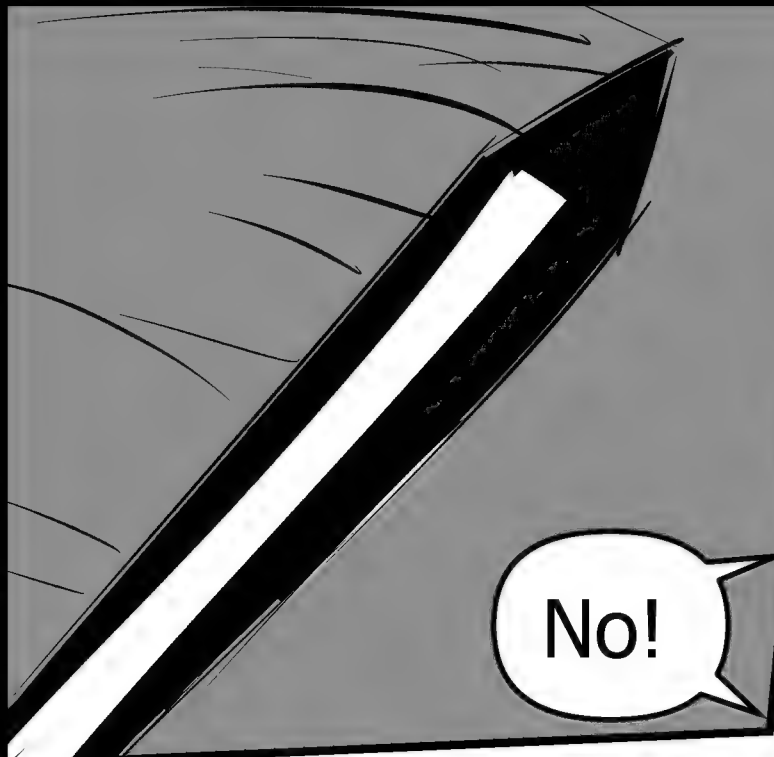

but at the end
familiar

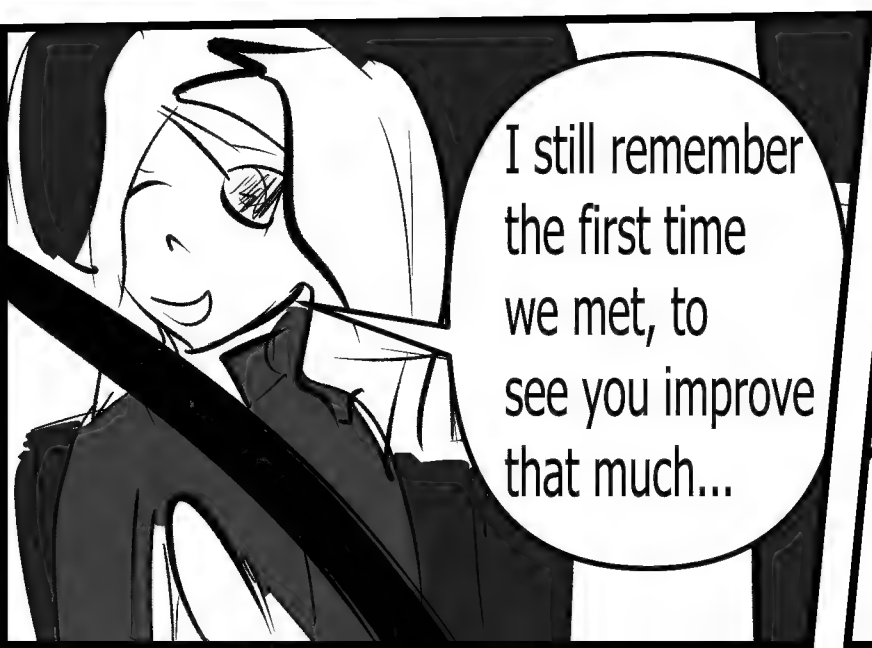

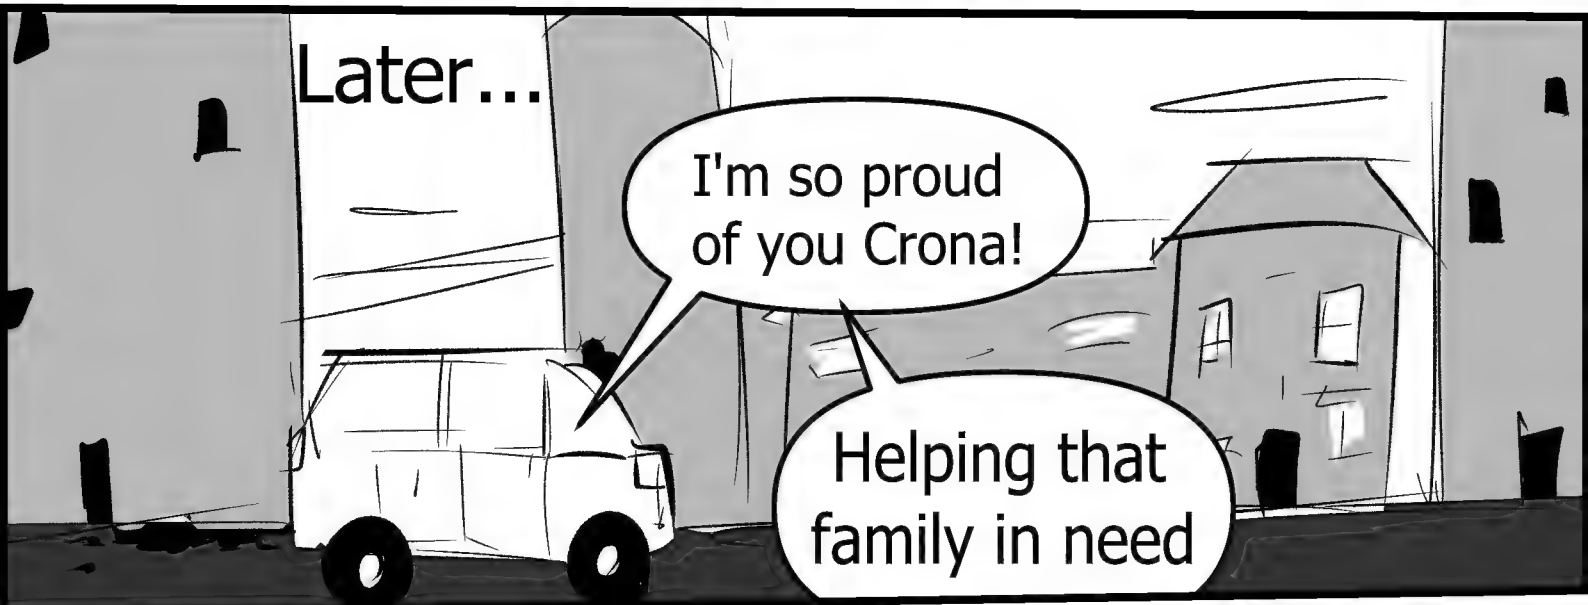

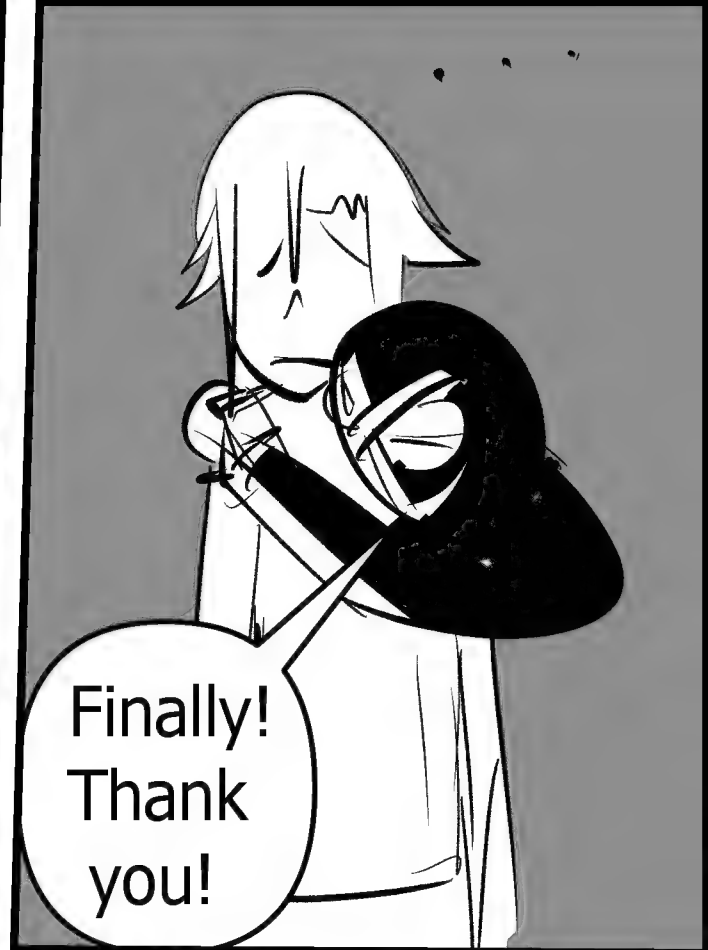

I dealt with it before
and I can deal with it now

I'm not sure about that...

I even put my hand
of the wheel right now

But the important
thing is that you
noticed it, just like
you noticed that Maka
needed those groceries
and with a car future
book transportation
will be much easier

Oh, yeah...

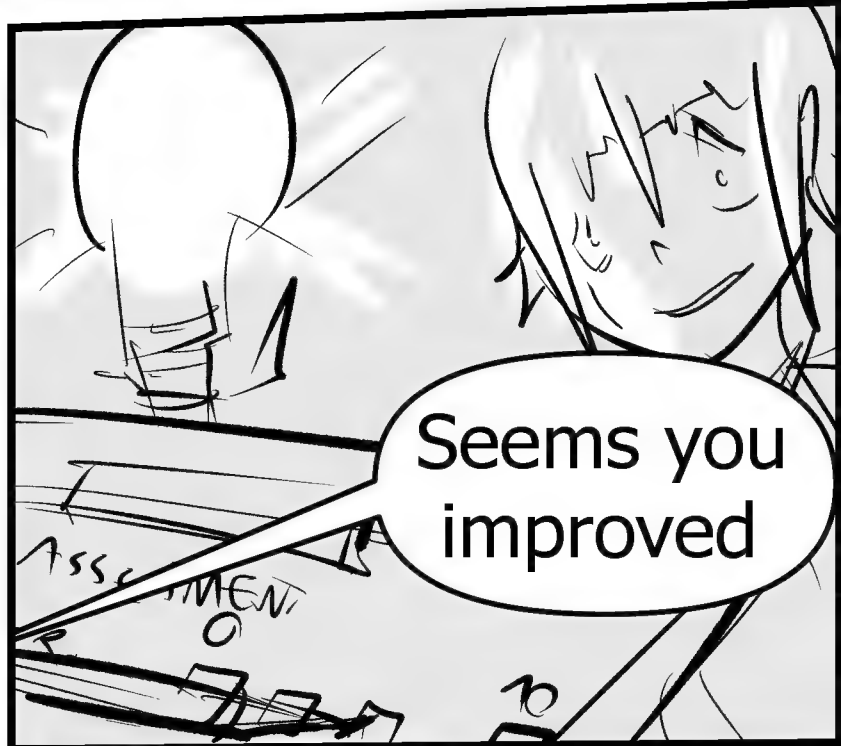

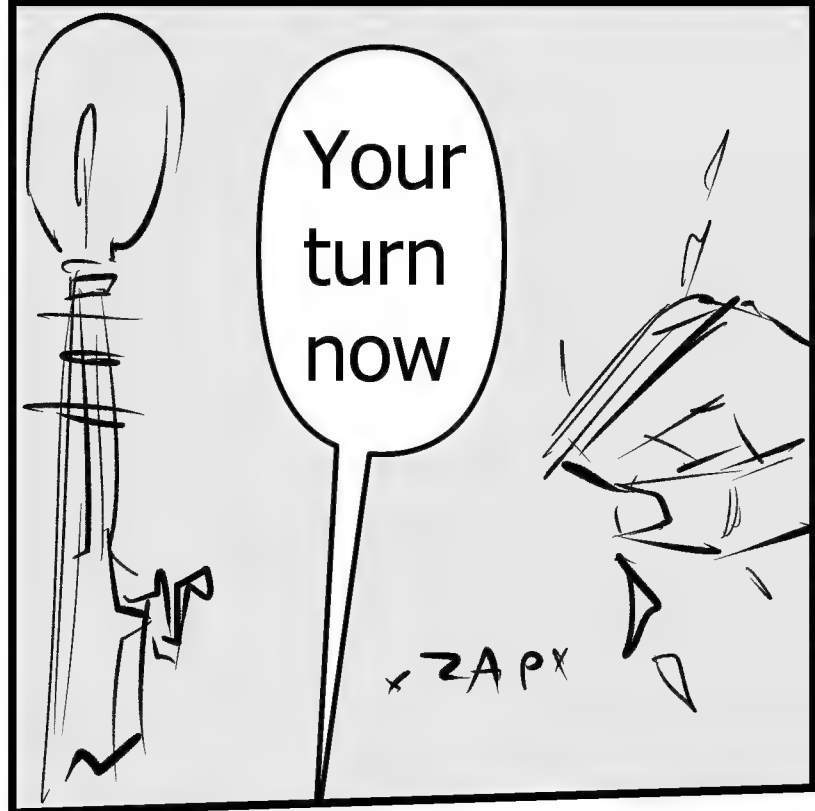

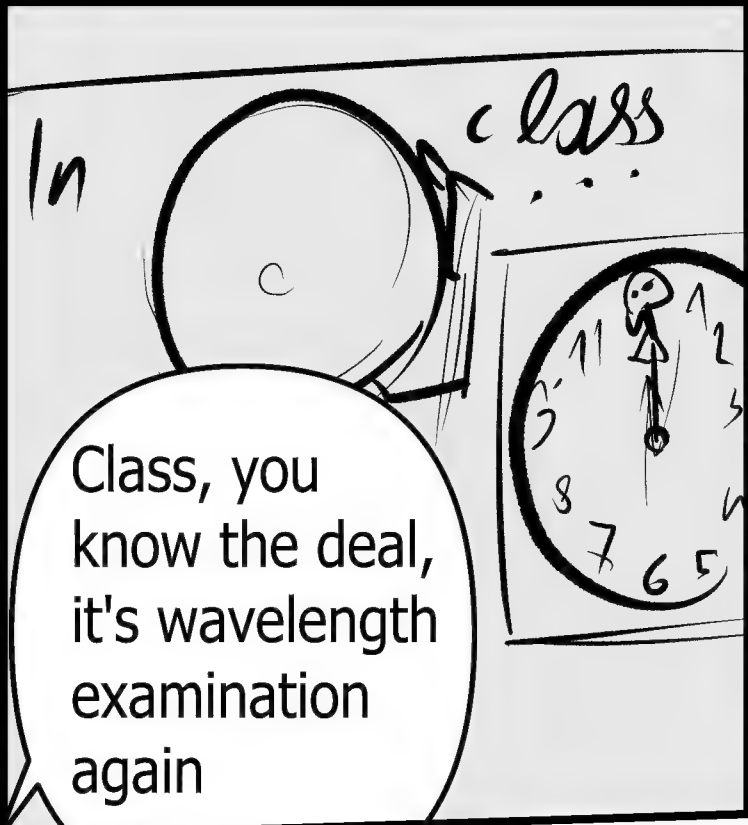

Hopefully Maka will
get well soon and
that won't be needed

I'm sure that with
people like you in
her life she will
heal in no time

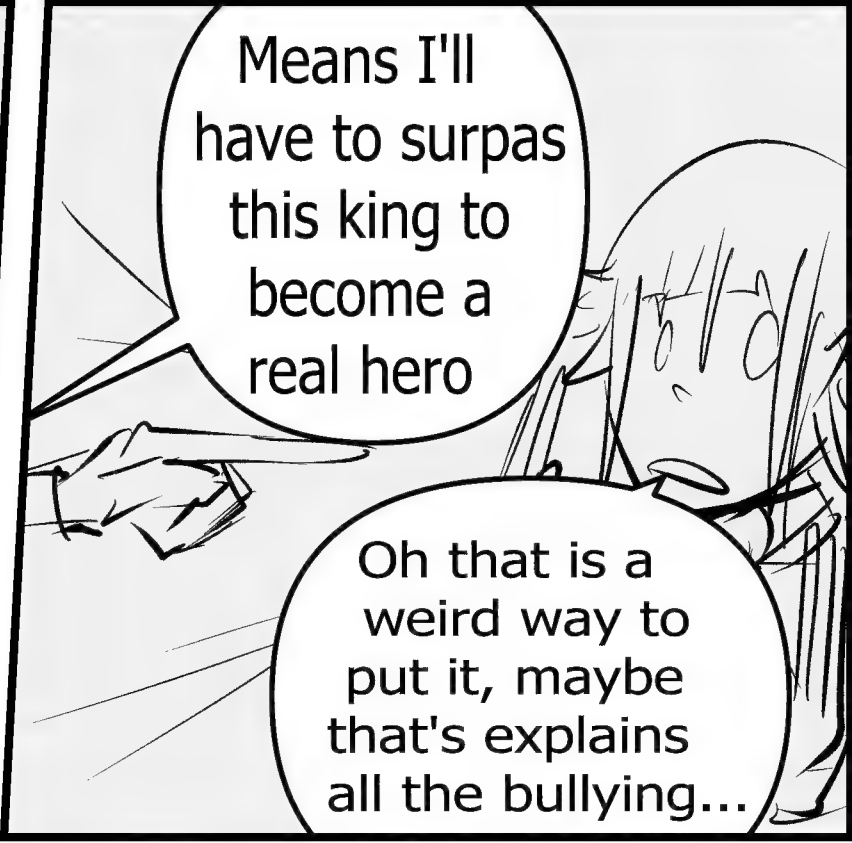

Yeah...I hope
she does

Seems like I
have a rival now

Means I'll
have to surpass
this king to
become a
real hero

Oh that is a
weird way to
put it, maybe
that's explains
all the bullying...

But if it's true...

I really can improve

And I'll have to, to
help Maka like she
helped me

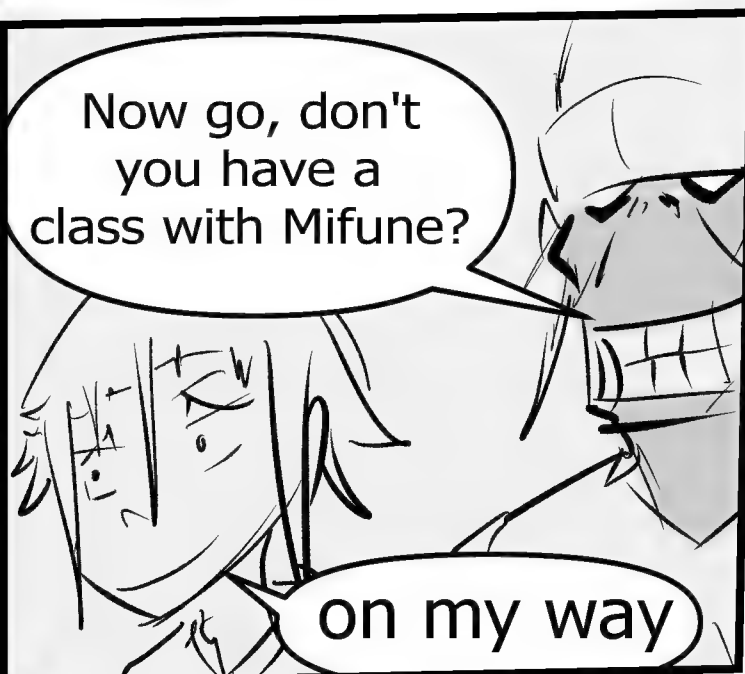

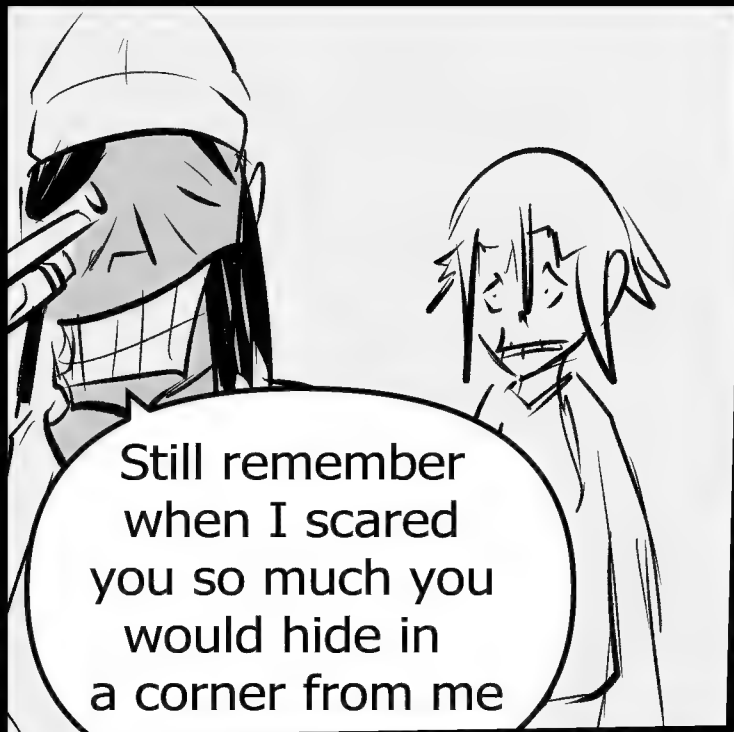

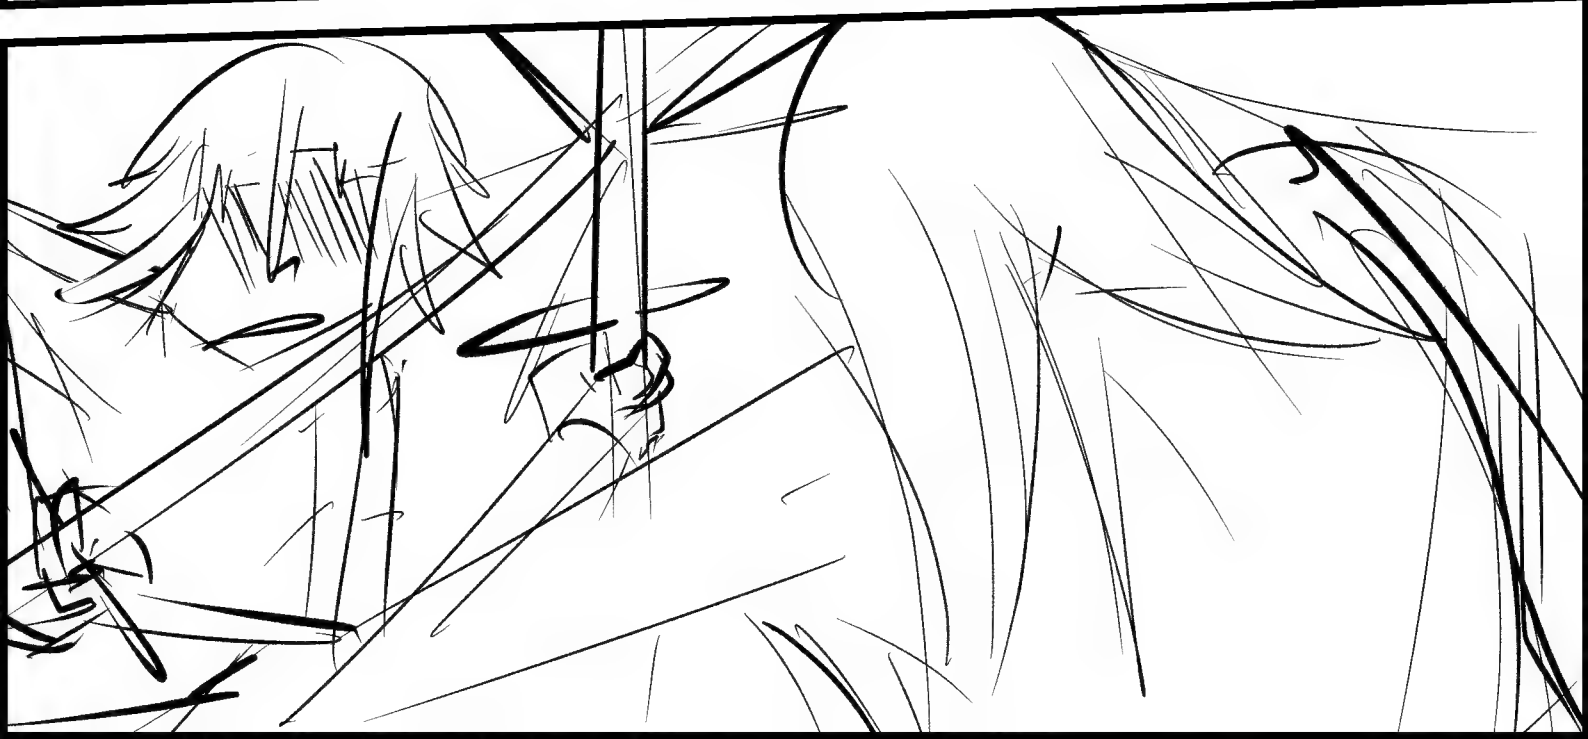

*RING!

Good job kid

I heard about how
you spared that guy
and didn't turn him
blue like me, haha

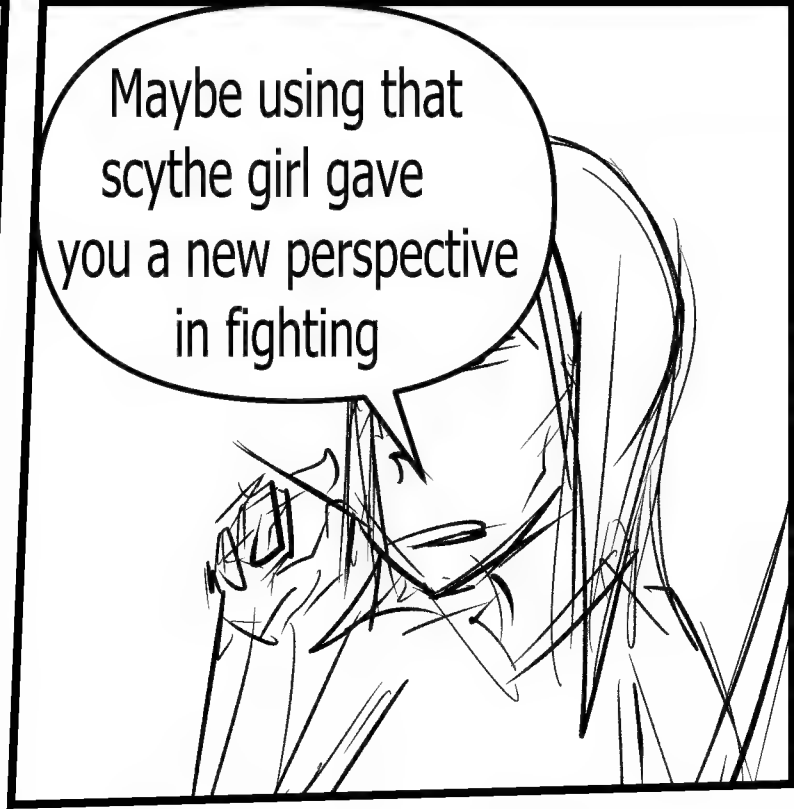

Hm... Seems you improved a bit

At least you are not swinging it wildly like a stick anymore

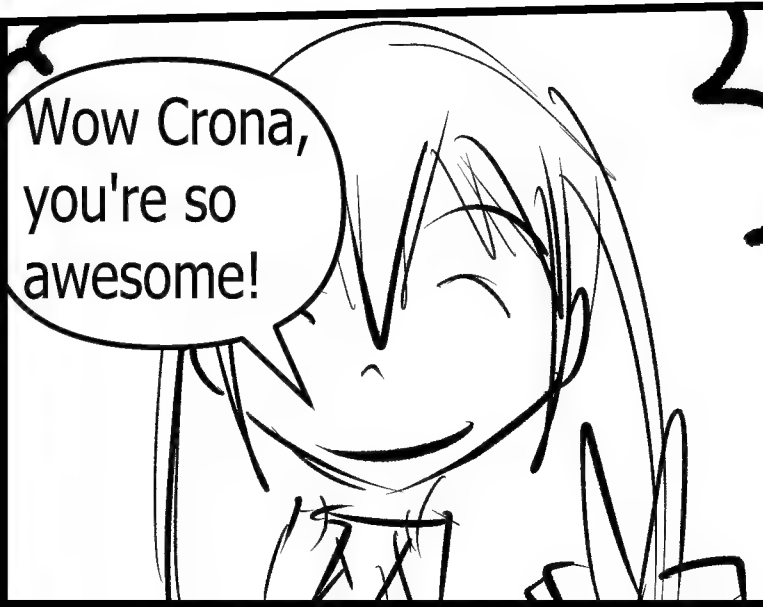

Maybe using that scythe girl gave you a new perspective in fighting

Maka made my skills better?...

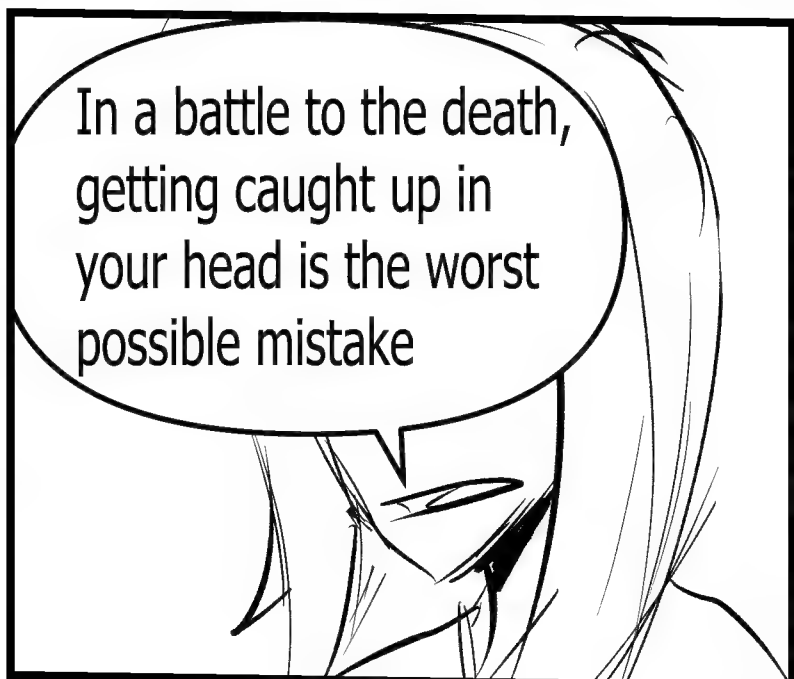

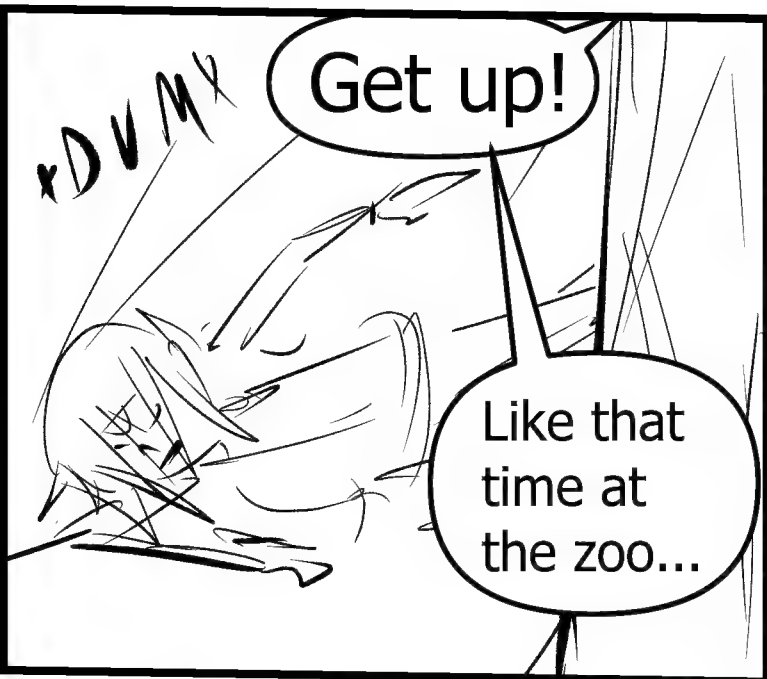

I wish she could see me now...

Wow Crona, you're so awesome!

Concentrate!

Also I heard
you didn't
learn the
lesson I
wanted
and went soft
on a crazy
man that
was willing
to kill
his own
children

W-what?-

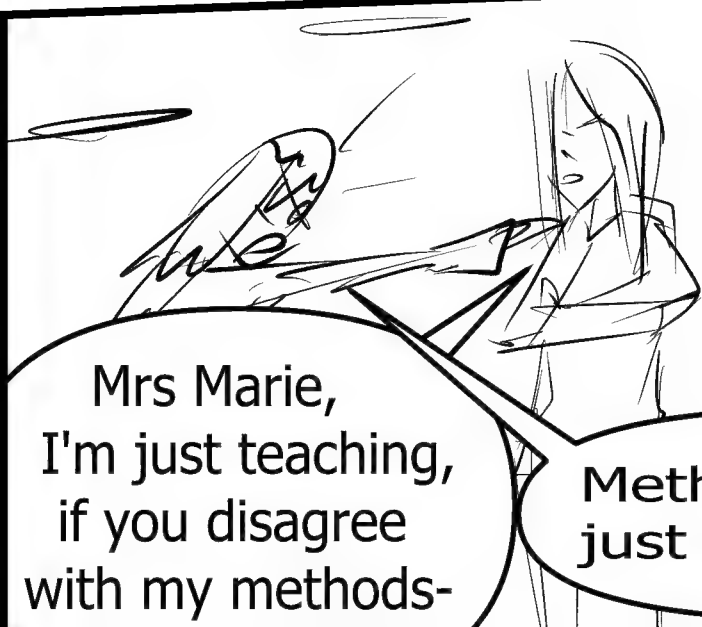

He doesn't
think he
deserved
help?...

while protecting a-

Hey, leave
my son alone!

Mrs Marie,
I'm just teaching,
if you disagree
with my methods-

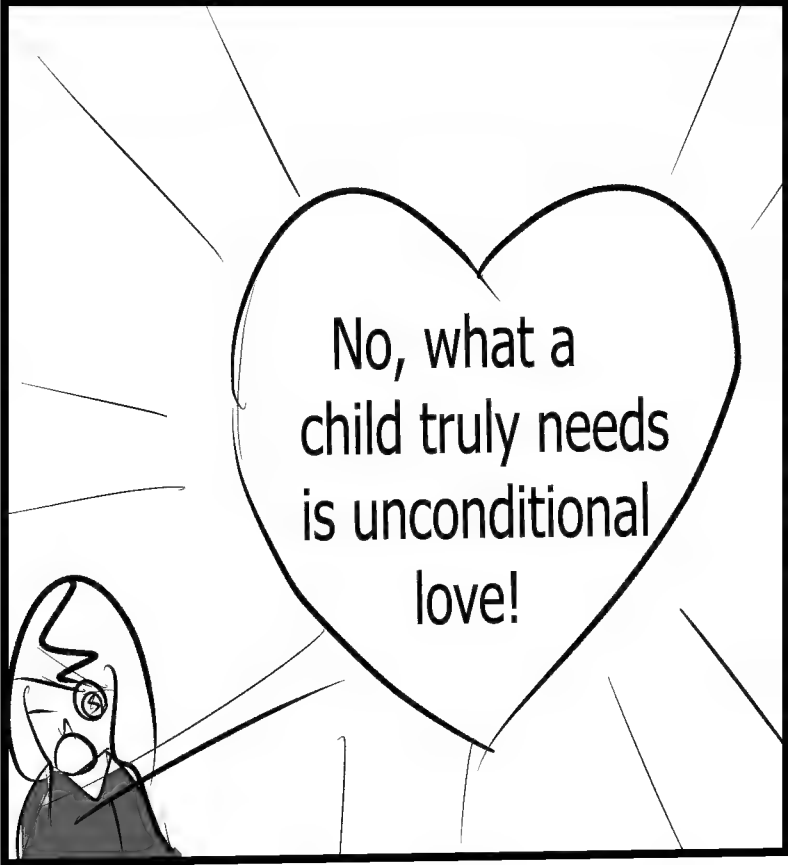

Methods? You are
just bullying him!

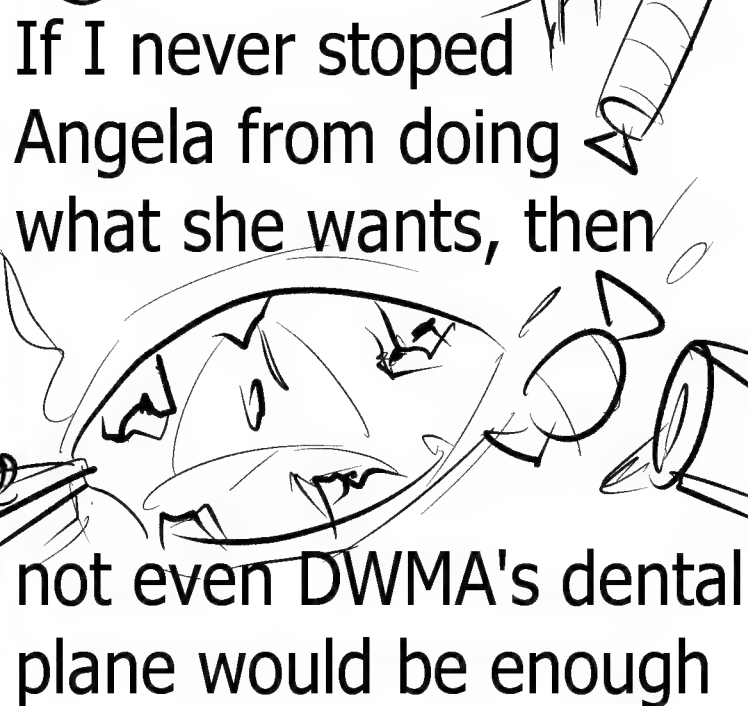

Oh
no

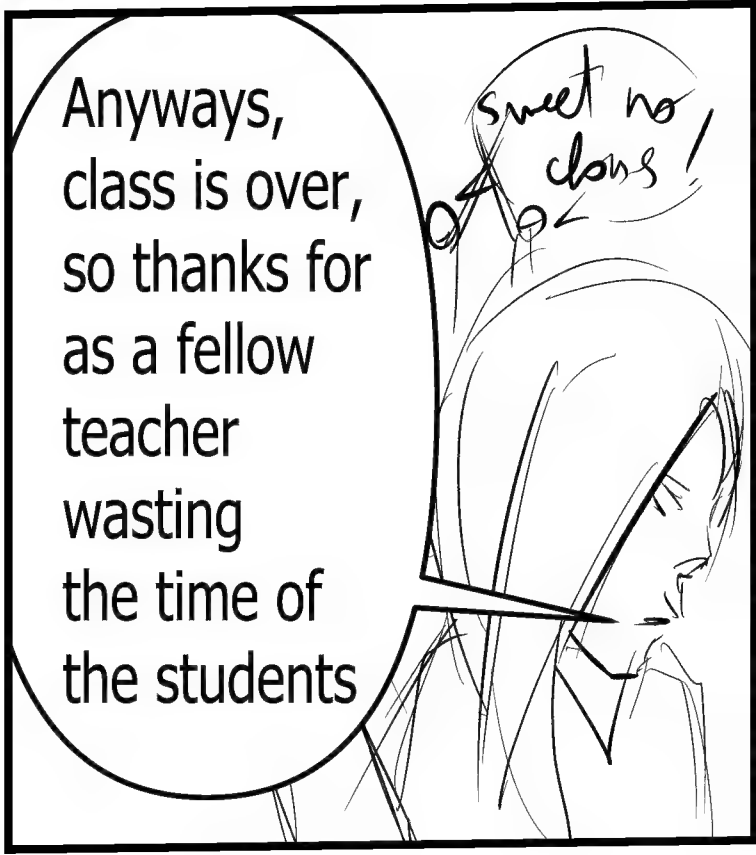

If you consider yourself his "mother", you should know that raising a child includes being strict sometimes

No, what a child truly needs is unconditional love!

If I never stoped Angela from doing what she wants, then not even DWMA's dental plane would be enough

Anyways, class is over, so thanks for as a fellow teacher wasting the time of the students

sweet no class!

Sweetie, you alright?

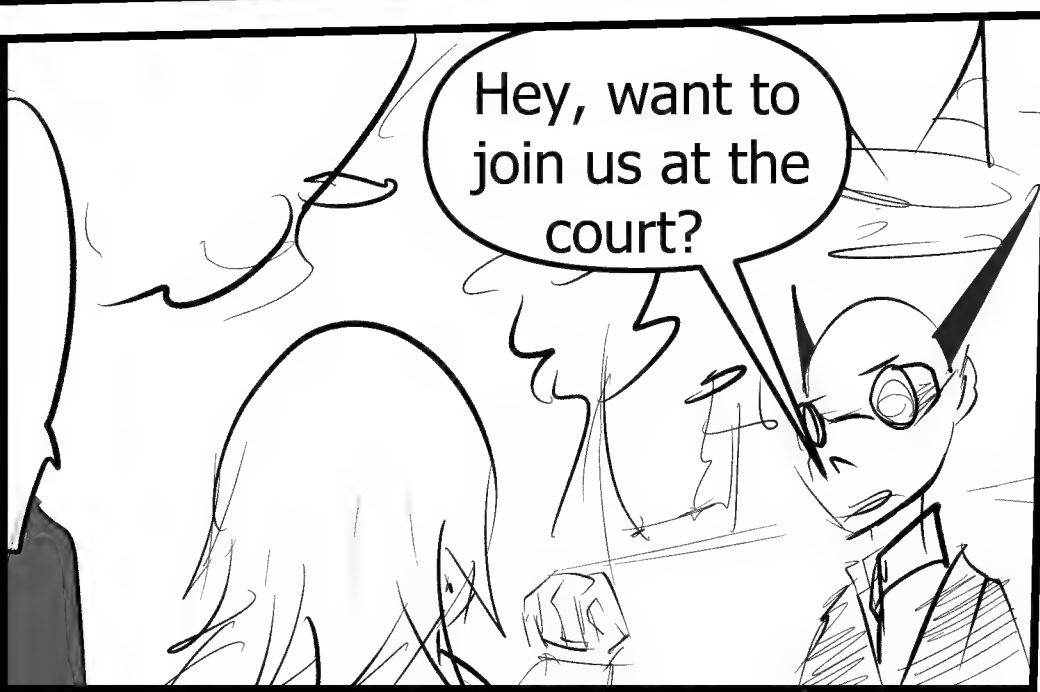

Let's go Angela

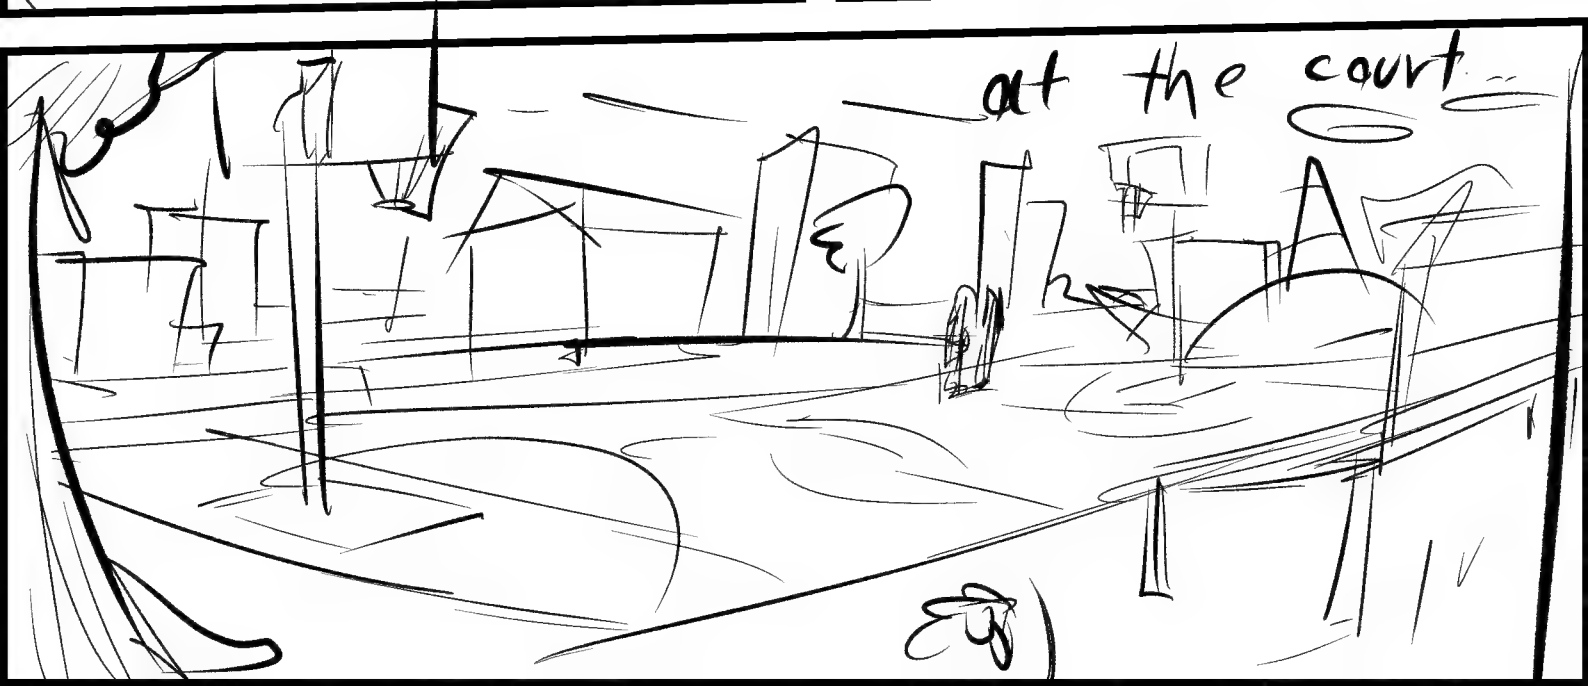

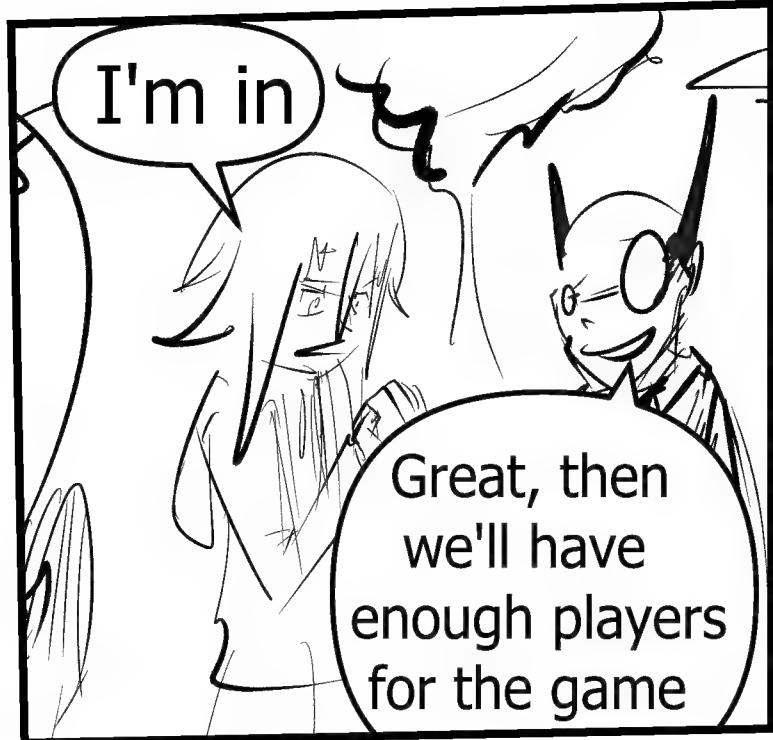

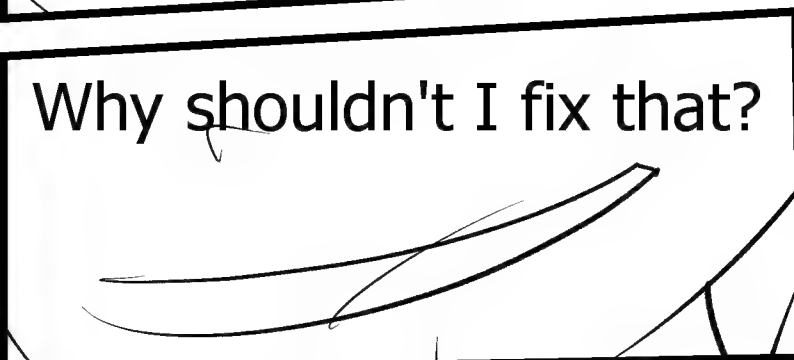

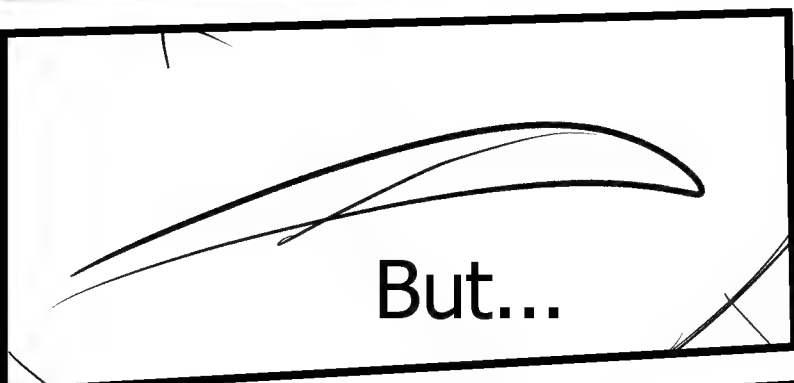

y-yes

Ok

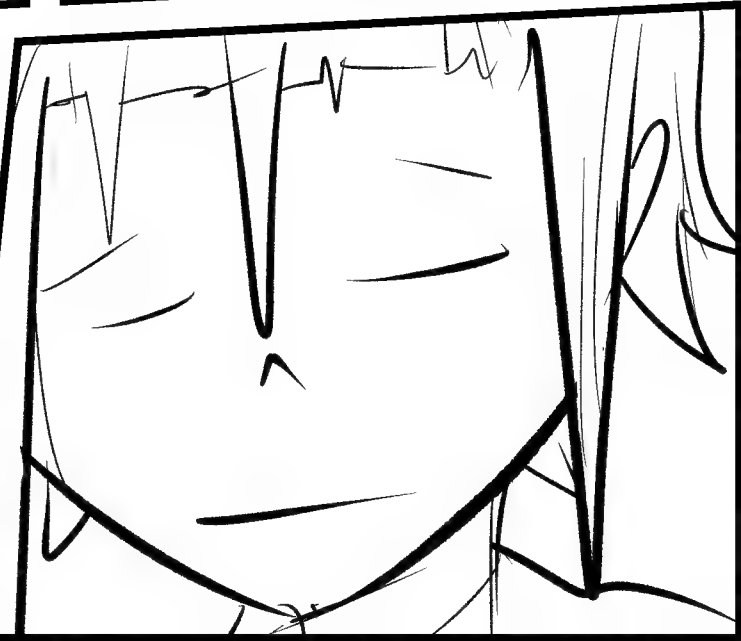

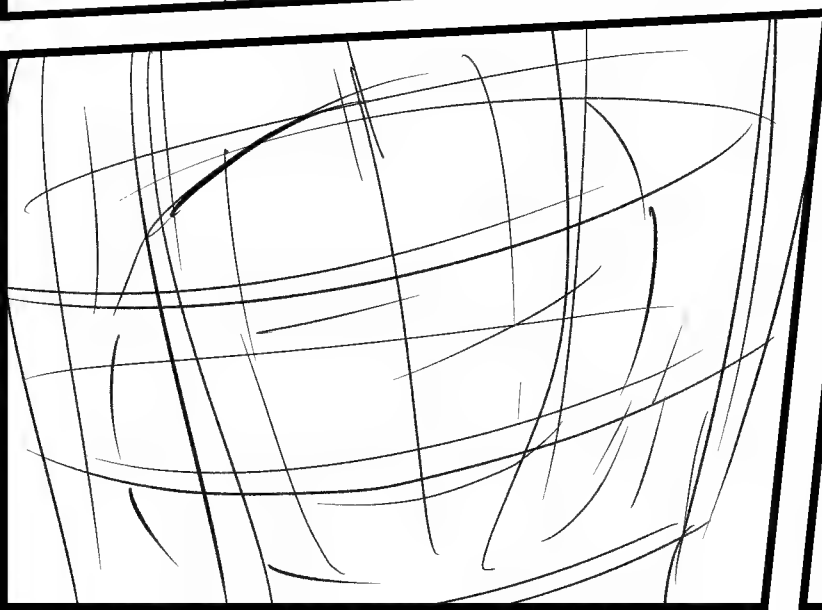

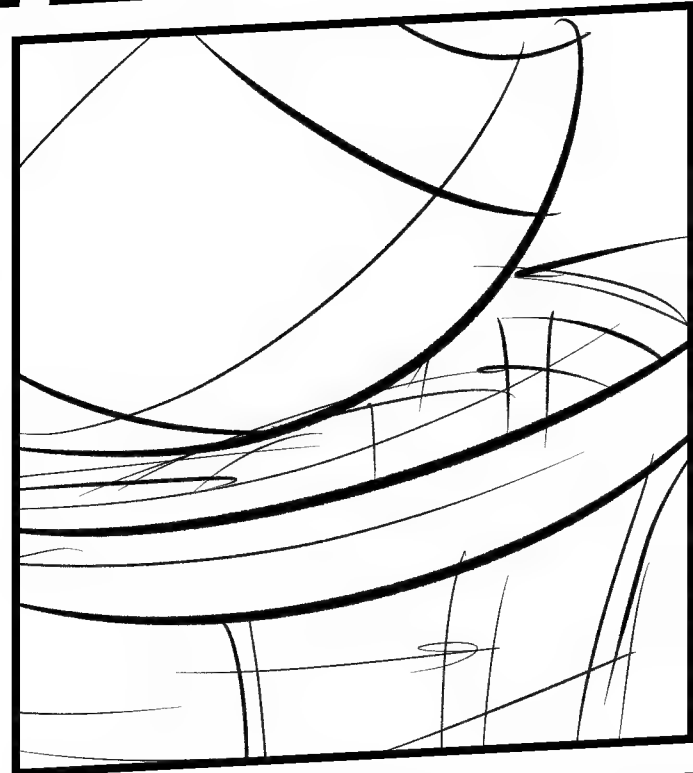

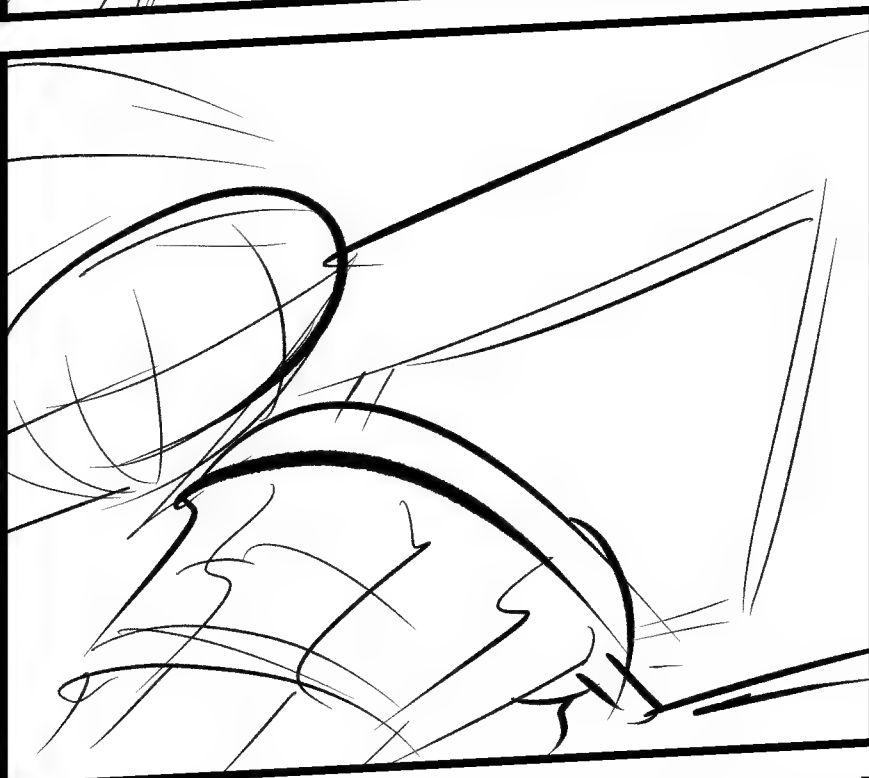

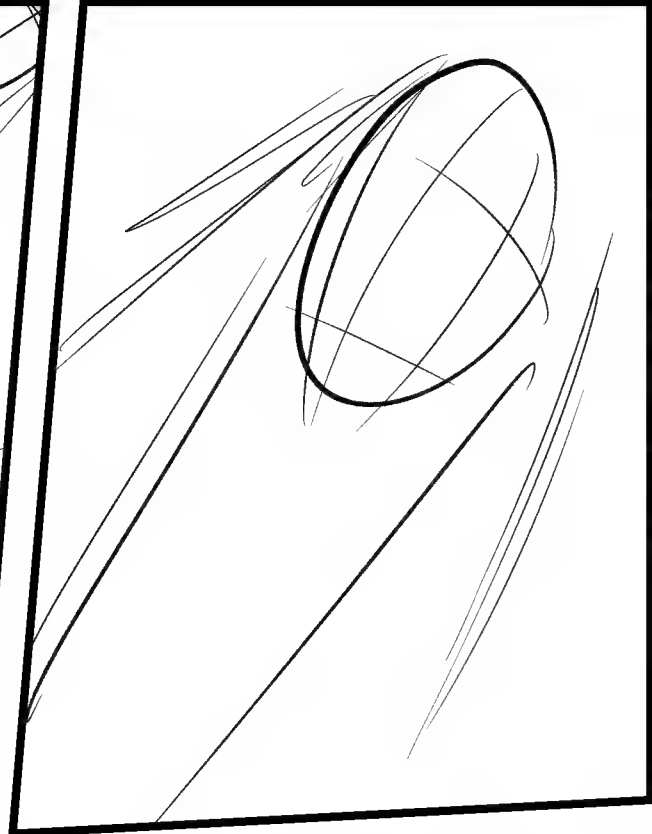

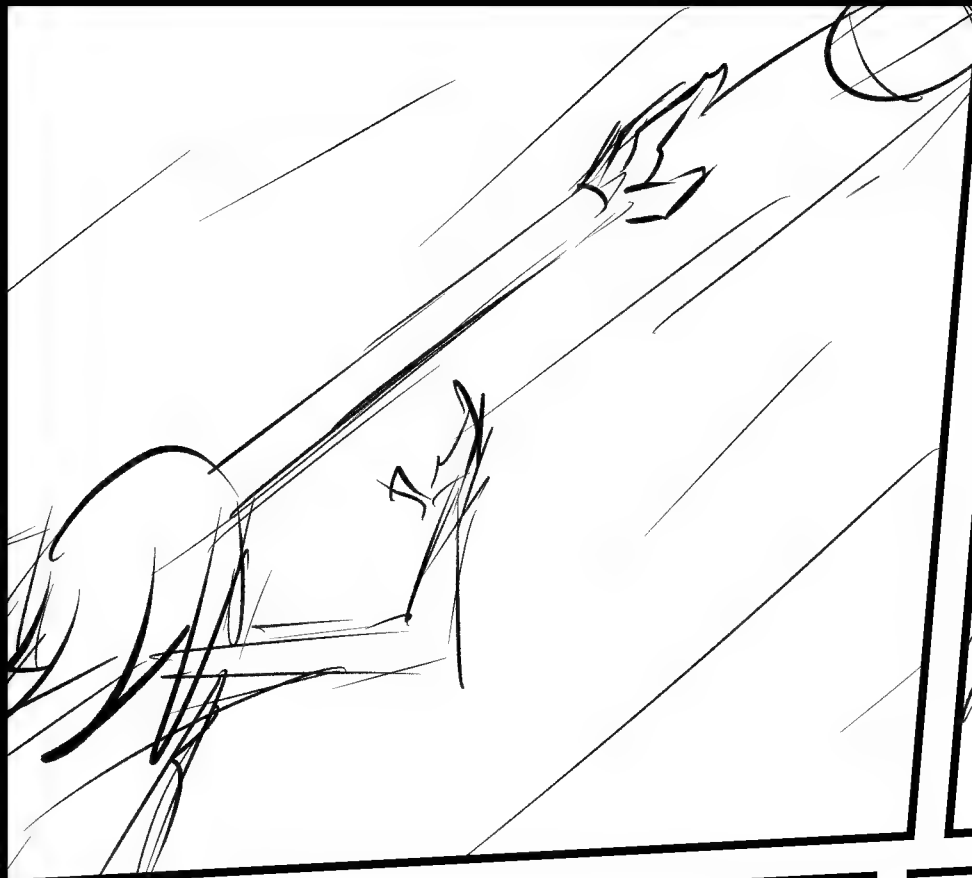

I'll have to work on my fadeaway...

I-I'm sorry Kim, are you hurt?

hrr...

Do you need help getting up?

No!
Gross!

SLAP

Think I can't get back up without being bailed out like you, psycho boy?

What?

I'll better go before you get bored of pushing and start skewering people like you used to

Normaly I would say
that you shouldn't
call people names...

But this time...

I feel like it was justified

Now we
talkin'!

Right... or
maybe we
shouldn't...

I hope Kim's
allright...

The past few days she hasn't
been acting like herself...

I wish I
knew what's
going on...

(Yeah maybe
it's smart to
not insult her
next to the
wannabe
boyfriend hehe)

Time to go home then?

Thanks
for inviting
me to play
today

No problem,
a shame it
turned out
like that...

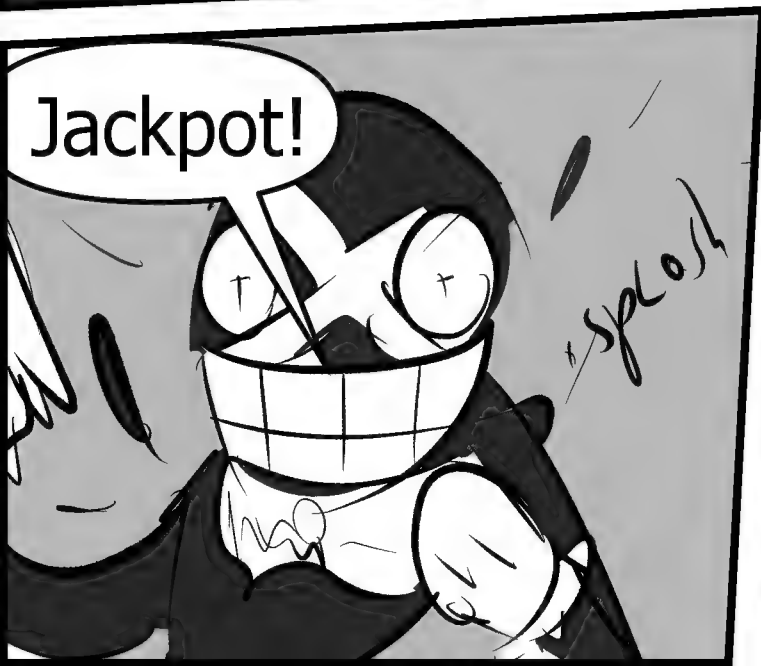

Maybe Harv isn't
"busy" next time...

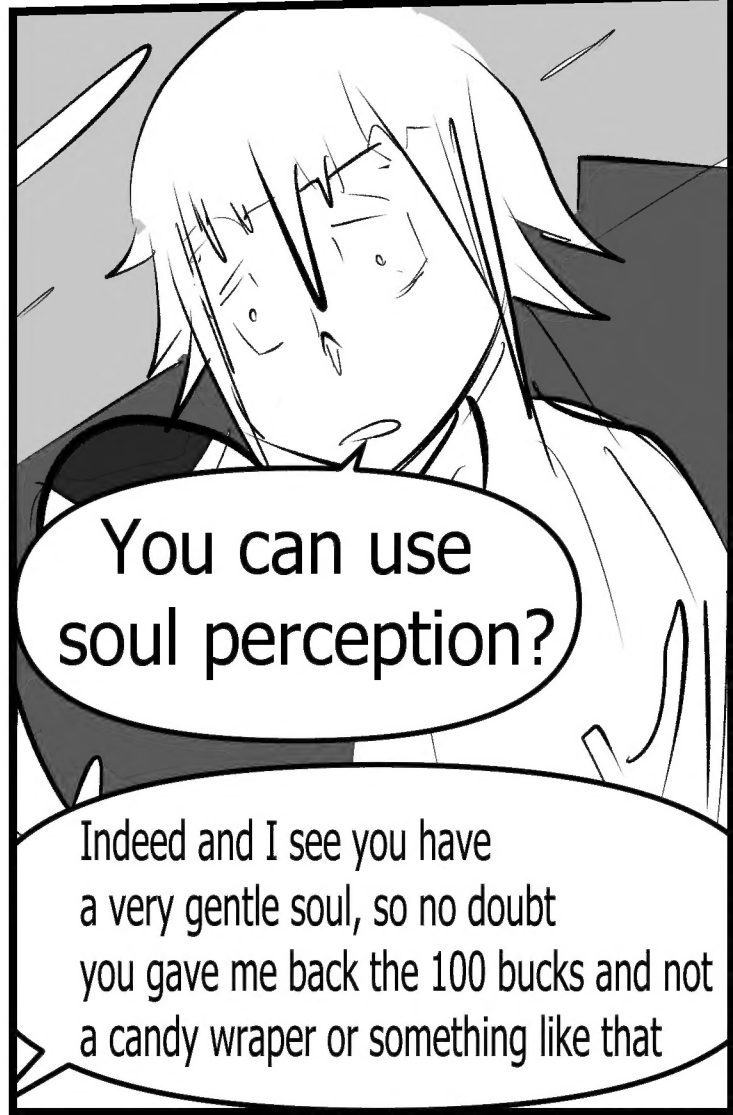

Is that...

Jackpot!

Somebody
must have
lost it...

Why didn't I-

Ugh, this lose of money makes me feel weak...

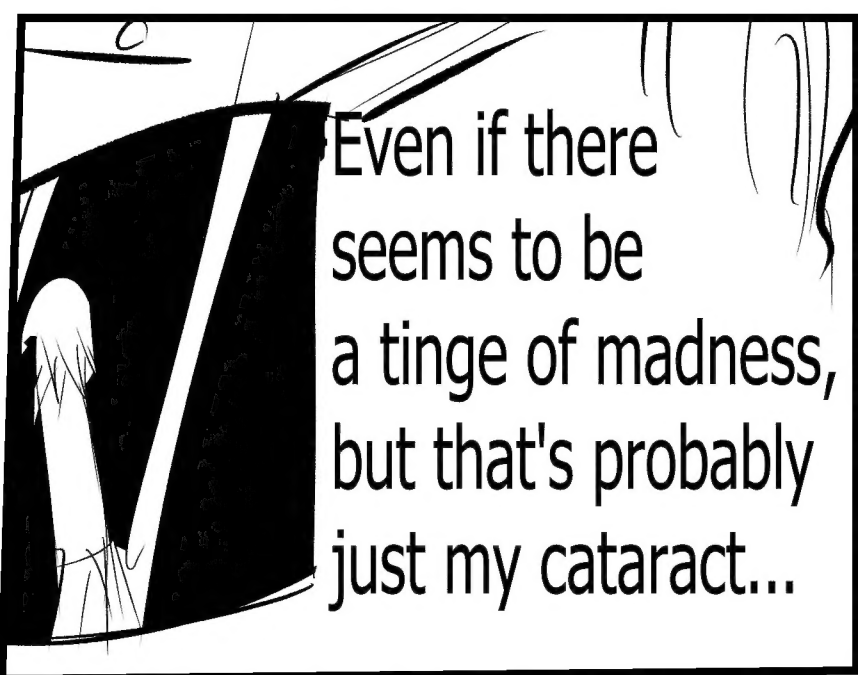

I'll cry about it in your back...

A-a gentle Soul, I-I?

Th-thank you!

The kid sure does have it

Even if there seems to be a tinge of madness, but that's probably just my cataract...

Back home

Dinner making time...
